Brain Romania 3.0

- platforma online, de tip social network, care reuneste: cercetatori, profesori, antreprenori pentru a pune bazele unei comunitati de producatori de cunoastere;
- comunitate estimata la aprox 40.000 utilizatori;

Taburi / Roluri:

- Research
- Education
- Teaching
- Career
- Entrepreneur
- Honors & Awards

The screenshot displays a user profile for 'Ioan Adrian' on the Brain Romania 3.0 platform. The profile includes a circular profile picture, a bio identifying him as being from the National Institute of Statistics in Bucharest, Romania, and statistics showing 190 publications, 329 views, 52 citations, and 231 downloads. Navigation tabs include 'Followed', 'Connections', 'Profile', and 'Analytics'. The 'Skills & Interests' section lists topics like Neuroscience, Software, and Software Design, along with expertise in areas like Win, Foresight, and Javascript. It also shows a list of 'Following' and 'Followers' with small profile pictures. The main content area features a 'Vision Critical' project entry, detailing its founding in 2014 and sale in 2015, and lists co-entrepreneurs: Antonil Pavlov, Jeroi Roxy, Daniel Marcu, and Daniel Gheorghita Stefanescu. Below this is a 'Samsung' entry with a 2014 launch date and electronics category. The page also includes a search bar at the top, a user menu for 'Dan Alexandru', and a footer with copyright information and links to Terms and Conditions, About Us, FAQ, and Contact.

Layout-uri diverse - Profil

Main - Analytics

The screenshot shows the 'Main - Analytics' view of a profile for Alexandru Marin. The header includes the 'brain' logo, a search bar, and navigation icons for notifications, messages, and the user's profile. The profile banner features a circular profile picture, the name 'Alexandru Marin', his affiliation 'National Institute of Statistics, Bucharest, Romania', and statistics: '190 Publications | 329 Views | 52 Citations | 231 Downloads'. Below the banner is a navigation bar with 'Edit profile', 'Connections', 'Profile', 'Analytics' (selected), and 'Feed'. The main content area is titled 'Activity' and shows a line graph of profile views over time, with a date range from 01 October to 31 October. Below the graph are three bar charts for 'Profile views' (4,268), 'Reads' (1,268), and 'Downloads' (268). The 'Publications' section is divided into categories: Books (3), Conference papers (43), Articles (122), and Chapters (22). The 'Other' section includes Followers (3), Following (43), Projects (6), and Patents (3). The footer contains copyright information for 2015 UEFISCDI and links to Terms and Conditions, About Us, FAQ, and Contact.

Followers

The screenshot shows the 'Followers' view of the same profile for Alexandru Marin. The header and profile banner are identical to the 'Main - Analytics' view. The navigation bar includes 'Edit profile', 'Connections', 'Profile', 'Analytics', and 'Feed'. The main content area is titled 'Followers' and shows a list of users following the profile. The list includes 'Richard Wagner' and 'Frederique Beigbeder', both from the 'National Institute of Statistics', with a 'Send message' button next to each name. The 'Skills & Interests' section is visible on the left, showing 'Topics of interest' (Neuroscience, BETA, Software) and 'Skills & expertise' (Software Design, Win, Foresight, HTML5, Javascript). The footer contains copyright information for 2015 UEFISCDI and links to Terms and Conditions, About Us, FAQ, and Contact.

Brain Romania 3.0 – facilitati oferite

- Informatie filtrata dupa domeniile de interes selectate;
- Acces la aplicatii de tipul web 2.0;
- Cautare semantica dupa publicatii stiintifice;
- File sharing;
- Acces la statisticile utilizatorilor privind activitatea profesionala si activitatea din cadrul platformei;
- Generare, actualizare si partajare facila CV;
- Acces la resurse si informatii privind finantarea cercetarii;
- Oportunitati profesionale;

Brain Romania 3.0 – aplicatii existente

UEFISCDI – acces la resurse si informatii privind finantarea si evenimente institutionale;

NOSEit - feed de semnale slabe reprezentand tendinte emergente globale;

ERRIS – acces facil la serviciile oferite de infrastructurile nationale de cercetare;

The screenshot shows a social media feed interface with a navigation bar at the top containing 'Profile', 'Analytics', and 'Feed'. Below the navigation bar, there are tabs for 'All Feed', 'PEERS', 'UEFISCDI', 'NOSEit', 'ERRIS', and 'EURAXESS'. The main content area displays a post titled 'Six provocations for Big Data' with a star icon and the text 'Be the first to recommend'. The post content discusses the era of Big Data and the need for new skills. Below the post, there are tags for 'Neuroscience', 'BETA', and 'Software', and a 'Share' button. A 'Comments' section follows, showing four comments from users Jonno Riekwel, Gedy Rivera, Jonno Riekwel, and Rogie King, each with a profile picture and a date of 17/09/2010. The comments contain placeholder text.

The screenshot displays the 'VALIDATE YOUR WORK' interface of the Brain Romania 3.0 system. At the top, there is a navigation bar with the 'brain' logo, a search bar, and a 'Login' button. The main content area is titled 'VALIDATE YOUR WORK' and includes a placeholder text: 'Here is some information about your work' and 'Lorem ipsum dolor sit amet, consectetur adipiscing elit. Praesent tempor vitae leo eget auctor. Etiam dapibus ex non blandit ultrices. Integer consequat a orcu ac condimentum. Suspendisse venenatis nec enim id blandit.'

The interface is organized into three main sections: PUBLICATIONS, PROJECTS, and PATENTS. Each section has a 'Validate all' button with a checkmark icon. The 'PUBLICATIONS' section lists two entries for 'Financial Crisis in the Cyprus Republic' by co-authors Alexandru Dumitrache, George Albu, Maria Teodorescu, Gabriela Ionescu, and Miron Adrian. The first entry is a 'Book' published in November 2015 by Springer, and the second is an 'Article' published in November 2015 in the ISI journal 00054. The 'PROJECTS' section lists one entry for 'Financial Crisis in the Cyprus Republic' where the user is the 'Project Manager', funded by UEFISCDI in November 2011 to November 2014, coordinated by Damian George. The 'PATENTS' section lists two entries for 'Financial Crisis in the Cyprus Republic' with inventors Alexandru Dumitrache, George Albu, Maria Teodorescu, Gabriela Ionescu, and Miron Adrian. The first patent is held by Alexandru Dumitrache, dated December 2014, and is international. Each entry includes a 'Does it belong to you?' question with 'Yes' and 'No' buttons.

At the bottom of the page, there is a footer with the text: 'Copyright © 2015 UEFISCDI' and links for 'Terms and Conditions', 'About Us', 'FAQ', and 'Contact'.
